AWAITING REVIEW

Immediate danger is an emergency

Call 911 in the US for immediate danger or urgent medical care. Do not wait for a relief request.

Needs

Needs *

- [x] Drinking water
- [x] Food
- [ ] Temporary shelter
- [ ] Medical supplies
- [ ] Transport
- [x] Other essentials

Other essentials *

A portable phone charger

How soon is support needed? *

- (•) **Today · essential supplies are low** — Non-emergency need; no response time is promised
- ( ) **Within the next few days** — We have enough essentials for now

Urgency helps coordinators understand your situation. It does not prioritize emergency rescue.

Household

People needing support *

3 people

Include yourself. Do not list household members' names.

Children under 18

1

Adults 65 or older

1

Accessibility or medical supply needs · optional

One older adult uses a cane and cannot walk far. Bring supplies to the gate. No medical supplies needed.

Describe your situation *

Power is out. We need drinking water and ready-to-eat food for 3 people. Supplies are running low today.
