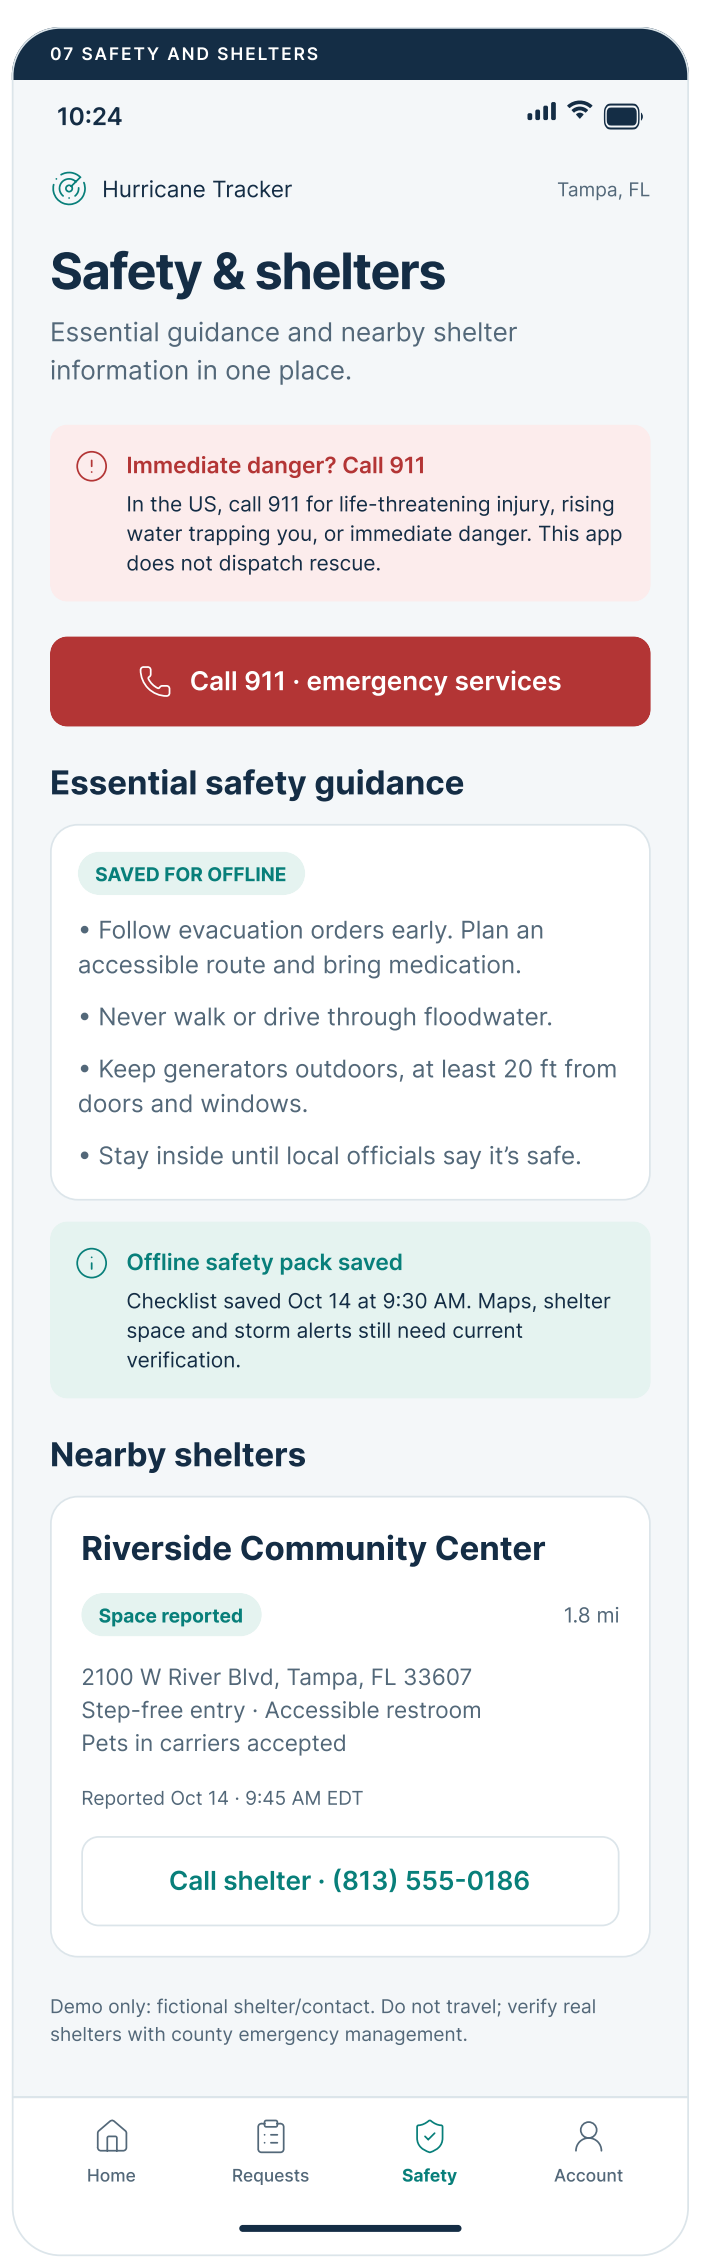
Immediate danger? Call 911 in the US. Relief requests are not monitored for emergencies.



07 SAFETY AND SHELTERS

Hurricane Tracker · Tampa, FL

Safety & shelters

Essential guidance and nearby shelter information in one place.

Immediate danger? Call 911
In the US, call 911 for life-threatening injury, rising water trapping you, or immediate danger. This app does not dispatch rescue.

Call 911 · emergency services

Essential safety guidance

SAVED FOR OFFLINE

- Follow evacuation orders early. Plan an accessible route and bring medication.
- Never walk or drive through floodwater.
- Keep generators outdoors, at least 20 ft from doors and windows.
- Stay inside until local officials say it's safe.

Offline safety pack saved
Checklist saved Oct 14 at 9:30 AM. Maps, shelter space and storm alerts still need current verification.

10A CREATE REQUEST · NEEDS

Back · Save & exit

Step 1 of 4 · Needs
Needs · Household · Location · Contact

Needs

Choose the supplies you need and how soon. * Required.

Immediate danger is an emergency
Call 911 in the US for immediate danger or urgent medical care. Do not wait for a relief request.

Needs *
- Drinking water ☑
- Food ☑
- Temporary shelter ☐
- Medical supplies ☐
- Transport ☐
- Other essentials ☑

Other essentials *: A portable phone charger

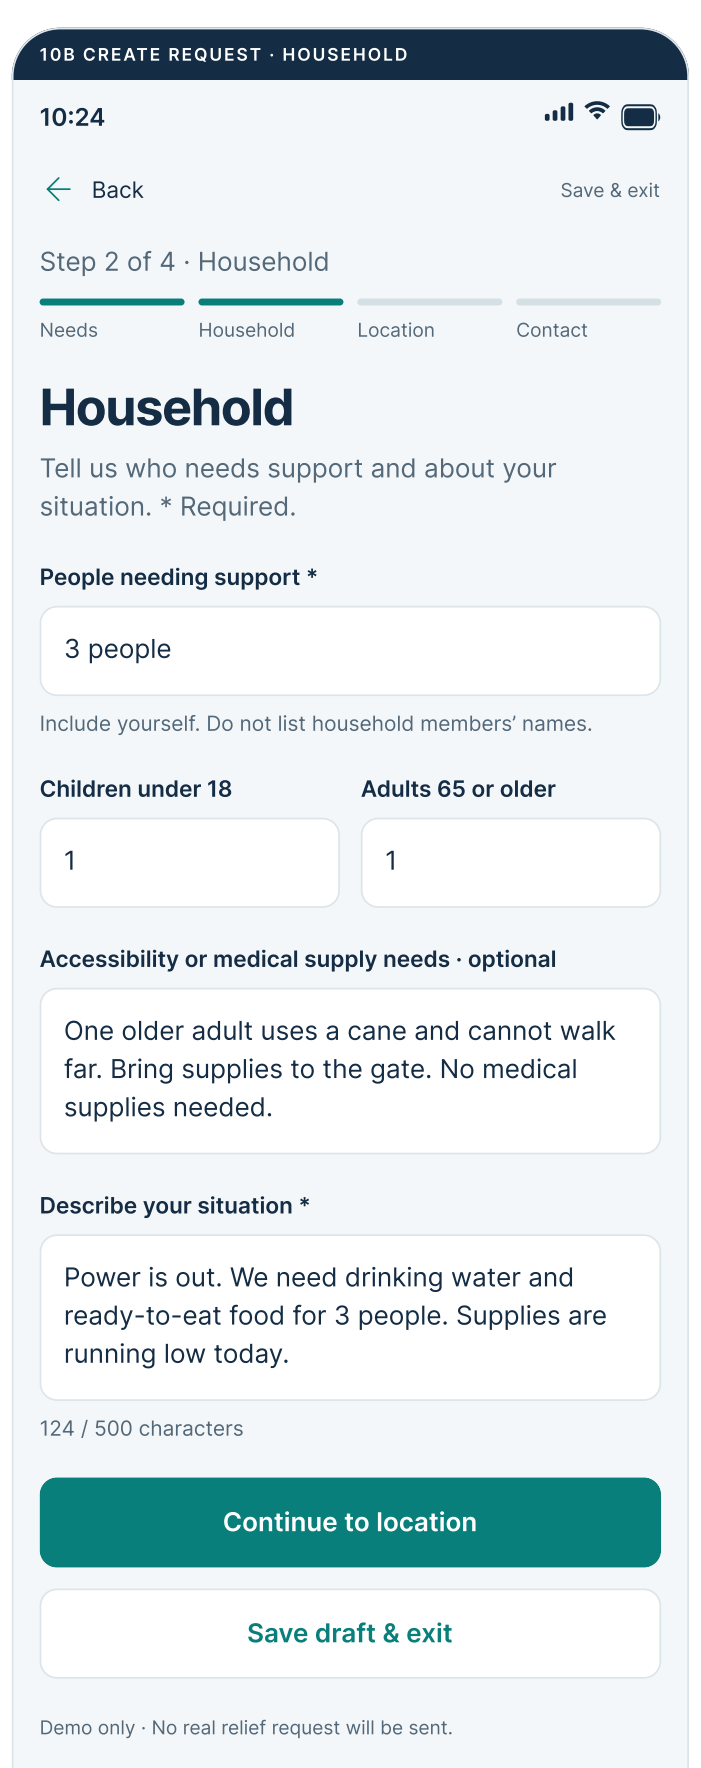
How soon is support needed? *
- ● Today · essential supplies are low — Non-emergency need; no response time is promised
- ○ Within the next few days — We have enough essentials for now

Urgency helps coordinators understand your situation. It does not prioritize emergency rescue.

Continue to household

Save draft & exit

Demo only · No real relief request will be sent.



10B CREATE REQUEST · HOUSEHOLD

Back · Save & exit

Step 2 of 4 · Household
Needs · Household · Location · Contact

Household

Tell us who needs support and about your situation. * Required.

People needing support *: 3 people

Include yourself. Do not list household members' names.

Children under 18: 1
Adults 65 or older: 1

Accessibility or medical supply needs · optional: One older adult uses a cane and cannot walk far. Bring supplies to the gate. No medical supplies needed.

Describe your situation *: Power is out. We need drinking water and ready-to-eat food for 3 people. Supplies are running low today.
